RAVIEL

Korean skincare: from pigmentation to firmness, hydration and pores

Korean skincare brand RAVIEL; OEM/ODM through certified partners

About the company

PINE WORLD is the owner and developer of the Korean skincare brand RAVIEL. The product lines are built around specific skin concerns: pigmentation and tone evening (brightening), firmness, hydration and pore care. The company positions itself as a brand owner, developer and trading-and-distribution operator, not as an in-house manufacturing factory.

The RAVIEL brand is built around its own SILK (Skin-Ingredient Link Key) active-delivery concept — a proprietary approach to how an active ingredient is retained and works in the skin. On this foundation sit the specialized lines: Acerola, Bakuchiol Mela Free, Biome 8X Hyaluronic and Retinol 10X Peptide, along with base products.

In addition to its own brand, PINE WORLD offers direct OEM/ODM — development and manufacturing under the customer's brand through certified Korean manufacturing partners. RAVIEL products are present in Korean retail, the pharmacy and duty-free channels, and on international online marketplaces.

Owner and developer of the RAVIEL skincare brand

Focus: pigmentation · tone brightening · firmness · hydration · pores

Proprietary SILK (Skin-Ingredient Link Key) active-delivery concept

OEM/ODM — through certified Korean manufacturing partners

EU CPNP / US MoCRA registration references — per company data

Product lines

Acerola

Pigmentation care and tone evening (brightening — cosmetically): a cream, an ampoule and a toner with acerola extract, niacinamide and houttuynia extract.

Bakuchiol Mela Free

Firmness and tone care with bakuchiol — a plant-based cosmetic alternative to retinol: a cream and a serum, a slow-aging direction.

Biome 8X Hyaluronic

Hydration and care for pores and oily skin: a cream and an ampoule with a complex of eight hyaluronic acids, ceramides and a probiotic complex.

Retinol 10X Peptide

Skin texture and firmness care: an ampoule with retinol and a peptide complex, a slow-aging direction.

Base products

Targeted and vitamin care: a multivitamin serum for tone and a panthenol spot cream for localized pigmentation care.

Capabilities and manufacturing

Skincare specialization

Specialized lines for specific concerns — pigmentation, firmness, hydration, pores — based on the proprietary SILK active-delivery concept. The company provides clinical and marketing materials after a contract; they are not reproduced on the site as independently verified.

OEM/ODM through partners

Direct OEM/ODM — development and manufacturing under the customer's brand through certified Korean manufacturing partners. An in-house factory is not claimed as a fact.

Registrations and standards

Per company data — EU CPNP and US MoCRA registration references, manufacturing at cGMP-standard facilities, as well as vegan and EWG claims. This is company data and registration references, not regulatory approval; copies of supporting documents are provided at the deal stage.

Product catalog

The RAVIEL brand — Korean skincare for pigmentation, firmness, hydration and pores.

Terms of cooperation

Cooperation formats

Wholesale supply of finished RAVIEL brand products; OEM/ODM — development and manufacturing under the customer's brand through certified Korean manufacturing partners.

Minimum order

Per the current price list — from one box per SKU (roughly 54–150 units for the main full-size items; certain items have different batches); orders below a box carry a surcharge. The exact MOQ is confirmed at the deal stage.

Prices

FOB Korea, on request / to be confirmed. Offer validity — 60 days. Prepayment: orders up to 10,000 USD — 100%, from 10,000 USD — 70% advance and 30% before shipment; EXW is discussed for larger orders.

Lead times

From stock — immediate shipment possible; manufacturing — roughly 45 days. Delivery terms depend on the destination country and shipping method; samples are discussed separately.

How it works

Request → Teranova review and alignment → negotiations and samples → logistics, customs and payment, turnkey.

Prices and terms are indicative and are finalized at the deal stage via Teranova. The supplier's direct contacts are not published. Registration references (EU CPNP, US MoCRA) are provided per company data and are not regulatory approval.
