Dr.SANTE

Your success is our joy

Professional aesthetic cosmetics from Korea

About the company

SANTE COSMETICS (the Dr.SANTE brand) is a Korean aesthetic brand with more than 20 years of history (since 2003). The company develops and manufactures professional skincare cosmetics, combining years of hands-on experience, professional expertise and a focus on skin health.

The brand's philosophy is skin health and beauty at the same time. The products are created for the professional segment and are designed for sensitive, dry, irritated and mature skin.

Product lines

Azulene Soother

A soothing line with guaiazulene and chamomile water: it quickly reduces irritation, lowers skin temperature and strengthens the barrier, addressing the root causes of sensitive-skin concerns. Creams, serums, masks, lotions, mists, gels and sun-protection essences.

Artemisia AKA

A line for problem-prone and irritated skin: as stated by the company, it has a pronounced soothing effect and helps reduce the look of irritation. Ampoules, creams and masks for repair and barrier care.

Collagen Leader

Collagen-based care focused on firmness and mature skin.

Hyalquad Core

Intensive hydration based on a hyaluronic acid complex.

Elsol

A botanical oils line built around premium Israeli jojoba oil, USDA-certified, unrefined and cold-pressed. As stated by the company, its structure is close to that of the skin barrier, which helps restore and strengthen it.

Hair Care

Scalp and hair care on chamomile flower water: a shampoo and a treatment with the patented YUKMIJIHWANG complex, guaiazulene and eco-ceramide oil. 500 ml bottles and travel sticks.

Proprietary solutions

Guaiazulene + chamomile water

Real Blue Calming Solution — soothes irritated skin, lowers its temperature and strengthens the protective barrier.

LHASOL™

A proprietary 4th-generation ingredient — stabilized LHA in high concentration. As stated by the company, it has an exfoliating action on keratinised cells and helps problem-prone skin return to a healthy, slightly acidic pH.
